ALEX COX
PARTNER
LOCKE LORD LLP

Alex Cox is a member of the Locke Lord Privacy & Cybersecurity Practice Group, advising clients in various industries with respect to their obligations under the many privacy and data protection laws, regulations, and frameworks. He has extensive privacy experience in the insurance industry, including breach response decision-making and state privacy law comprehension and compliance.

Prior to entering the practice of law, Alex worked in data analytics for a Fortune 500 company. He leverages this background when developing compliance recommendations for clients.

MICHAEL G. MCCLANE, CPCU, ARE
SENIOR MANAGING DIRECTOR & CO-LEADER OF MARKET SECURITY & ANALYSIS
AON

Mike is the co-leader of Aon’s Market Security and Analysis team which is responsible for approval and monitoring of all Aon’s markets. Market security’s mission is to identify and classify those markets that appear well managed and financially sound. Mike oversees a team of financial and credit analysts who analyze the financial strength of traditional insurers and reinsurers as well as identify and monitor trends in the global insurance industry. The team has also taken a lead role in the review of collateralized reinsurance transactions and markets. Mike is also responsible for the deployment of Aon’s proprietary capital modeling tool, ReMetrica in the Americas. Since 2007, Mike has led technical demonstrations of the software and advised clients on implementation practices.

Mike has more than 25 years of experience in the property/casualty insurance industry. Since joining Aon/Benfield in 1994, some of Mike’s focus areas included strategic and financial analysis for U.S. and international insurance and reinsurance companies, financial modeling, regulatory impact analysis as well as consulting on ERM and rating agency issues. From 2003 to 2009, Mike was also a dual employee of Aon's capital markets subsidiary. The capital market’s subsidiary offers customers advice on mergers and acquisitions, restructurings, capital raising and general corporate strategy.

Mike earned a Masters in Business Administration degree with a concentration in finance from Widener University. He also earned a Bachelor of Science degree in Economics from the University of Delaware. Mike was awarded the Chartered Property Casualty Underwriter designation in 1992 and his Associates in Reinsurance designation in 1996. In 2003, he obtained the FINRA Series 7 & 63 securities licenses. In 2011, Mike obtained the FINRA Series 79 license.
CHRISTOPHER T. MCNULTY
EXECUTIVE VICE PRESIDENT, CFO & TREASURER
GREATER NY INSURANCE COMPANIES

Christopher McNulty is Executive Vice President, CFO and Treasurer of the Greater New York Insurance Companies (GNY) where he is responsible for all financial-related activities and risk management. Prior to joining GNY in July 2013, Chris spent six years as a Senior Vice President of Finance with AXIS Capital and over thirteen years with Swiss Re performing various financial functions. He began his professional career with Coopers & Lybrand where he specialized in servicing property & casualty insurance companies for eight years before joining Swiss Re.

From September 2006 to September 2008, Chris was President of the Society of Insurance Financial Management and is presently a member of its Board of Directors. He has spoken at several annual meetings of the IASA and has been a recurring instructor at the Reinsurance Association of America’s annual Re Finance seminar.

Chris received a Bachelor of Science degree from the Gabelli School of Business of Fordham University. He is a Certified Public Accountant and is a member of the AICPA and New York State Society of Certified Public Accountants.

JOSEPH B. SIEVERLING
